This is a newly refurbished 2 bedroom apartment enjoying spectacular views of Lake Maggiore and within walking distance of the lakeside and beaches via a series of steps.

The apartment has an open plan living and dining area, with comfortable sofa as well as a more formal circular dining table and seating. There is a TV and radio. Large sliding doors lead out to a spacious private terrace enjoying superb lake views. The terrace is extremely large for a property of this size and is equipped with 2 loungers and a table seating four for al fresco dining. There is also a separate kitchen. The kitchen area is relatively small area but it is fully equipped with fridge / freezer, gas hob, electric oven, dishwasher, toaster and coffee machine. At the back of the apartment are two double bedrooms, both furnished with comfortable beds, wardrobes and side tables. A bathroom is positioned between these bedrooms. This is equipped with shower, bidet, sink and toilet. The apartment has marble flooring throughout. Adjacent to the property, guests enjoy access to a private laundry room. This has washing machine as well as an additional fridge, ideal for keeping your drinks cool in the Summer months. This is a large space and also provides a great space for those needing to store bicycles or water sports equipment during their visit. Please note that there are a number of steps to access the property itself and so it may not be suitable for the elderly or infirm or for those with very young children.

It is possible to reach the lake from the apartment. In order to reach the lakeside from the apartment, there are a number of steps leading down the side of the apartment building. Please note that there are a number of steps to access the property itself and so it may not be suitable for the elderly or infirm or for those with very young children.

Useful to Know

We think the best views of the lake are enjoyed from an elevated hillside position. This apartment offers exactly that, but at the same time guests don't miss out on the benefits of direct lake access. Via a system of steps, guests can walk to the lakeside and enjoy a swim. The walk back up is steep but look on the bright side... You'll burn off plenty of calories to ensure you can enjoy guilt-free meals each evening!
