Apartment Vista Lago is a super stylish 2 bedroom apartment overlooking Lake Maggiore enjoying use of a communal swimming pool (15m x 5m) all year round. New for the 2021 season, the property has been recently decorated and furnished in a modern, contemporary style creating a real home from home.

Inside there is a large open plan living and dining area, furnished with two large armchairs and a circular dining table. A small but stylish kitchen area leads off this room. The brand new kitchen is in a traditional 'country' style and is well equipped with everything guests may need. A small outside courtyard area leads from the back of the kitchen. An outdoor table and chairs is set out here making the most of this cool, shady spot which provides a welcome break from the heat of the sun in the height of the Summer. To the front of the living and dining area, double doors lead to a garden and terrace which enjoys the sun all day long. There are two bedrooms in the property. One is furnished with a double bed and wardrobes whilst the other can be used as either a second bedroom (with comfortable sofa bed) or as a second living area. Both are stylish and contemporary. Each bedroom enjoys its own bathroom with shower, bidet, sink and WC.

The apartment is located in the quiet residential neighbourhood of Massino Visconti just a short drive from the lakeside. The communal pool is located a short walk away from the apartment along a path lined with mature shrubs and flowers which provide an array of colour in the Spring and Summer months.
