This is a modern, newly renovated, one bedroom apartment situated in the popular and pretty lakeside village of Colmegna. The apartment is on the second floor of the building and it enjoys stunning views over the lake from a narrow wooden terrace.

The property was completely renovated and newly refurbished in 2018. As you enter the apartment, there is a small hallway. To the left of the hall, two steps lead down to an open plan living, dining and kitchen area. This is a stylish, contemporary and welcoming space. A modern white kitchen is positioned in one corner of the room and is well equipped with oven, hob, coffee machine, toaster, microwave and electric kettle. To the side of the room is a rectangular dining table and chairs and at the other side of the room there is a grey sofa bed arranged around a TV unit. (This allows the property to sleep 4 in total). Doors lead from here to a narrow terrace. An outside table and chairs provides the perfect spot for an aperitif before dinner. The apartment also has a lovely double bedroom, furnished with comfortable double bed and side tables. A modern bathroom is equipped with bath tub and overhead shower. Please note that we manage another two apartments in the same building so if you are part of a larger group we may have other accommodation available here. Please ask for more details.

The property is in a quiet residential neighbourhood in the village of Colmegna within a 20 minute walk of the lakeside where there is a small beach area. Colmegna is a lovely lakeside village, positioned on the Eastern shores of Lake Maggiore. There is an excellent restaurant at the Camin hotel in the village however, for those looking for other options for dining out, there is another traditional trattoria / pizzeria in Colmegna and, in addition, there are plenty of restaurant choices in the nearby larger towns of Luino and Maccagno.

Useful to Know

This is an opportunity for holidaymakers to stay in a very traditional apartment building in an apartment that has been modernised and given a contemporary twist. We love the private terrace and stunning lake views and the peaceful location of the property.
