This Italian Lakes holiday home is situated in a popular lakeside resort in the village of Maccagno on the eastern shores of Lake Maggiore. Within walking distance of restaurants and cafes as well as within easy reach of public transport, it's a super convenient location from which to explore this beautiful region of Italy.

Inside, this Italian Lakes holiday home is more traditionally furnished which is a lovely contrast to the modern style of the resort itself. The kitchen is of a high standard and is well equipped with everything you could need to make delicious home-cooked meals on holiday. This leads into an open plan living and dining area furnished with a comfortable leather sofa and dining table seating four. Sliding doors from this room lead to the terrace of this Italian Lakes holiday home. This is an incredible space enjoying uninterrupted views over the communal pool area to the lake and mountains beyond. It's the perfect place to enjoy breakfast first thing or to enjoy an aperitif whilst watching the sun set in the evening. Also in this Italian Lakes holiday home are two good sized bedrooms. One is furnished with a large double bed whilst the other has two single beds. Both have their own bathroom, each with shower. Please note that an extra bed can be added into the apartment so that it can sleep up to 5 guests if required.

Guests will find it hard to tear themselves away from the incredible views of the terrace at this Italian Lakes holiday home. But if you do, there is plenty to see and do. Those who enjoy an active holiday can enjoy water sports nearby. There are also volleyball and tennis courts nearby. Bike hire is possible on site or you could hire a boat and take to the water for the day. There are also plenty of beautiful towns and villages to explore around Lake Maggiore, all of which can be accessed using the boat network.
