This Maccagno apartment is a modern 2 bedroom apartment located on the shores of Lake Maggiore. The apartment is well equipped and guests enjoy use of a superb swimming pool and jacuzzi, surrounded by stylish teak decking and luxury loungers. There is a restaurant on site as well as a lively bar and cafe. This Maccagno apartment is also within walking distance of a number of more traditional eating establishments. There is a beach just a few yards from the property, where guests can hire water sports equipment.

The apartment itself is furnished in a modern and contemporary style and is located on the second floor of the building. It has 2 bedrooms, one double and one which can be arranged as either a twin or double room. There are also two bathrooms, both with sink, bidet and toilet. One has a shower whilst the other has a bath tub. Finally, there is an open plan living, dining and kitchen area. The kitchen is well equipped and there is a large dining table seating six. The interior furniture is arranged to make the most of the lake view from the property. Patio doors lead from the dining area to a private terrace, equipped with table and chairs, ideal for al fresco dining. The terrace of this Maccagno apartment enjoys excellent views of the lake and swimming pools, perfect for watching the sun setting each evening. The property can sleep 5 in total as there is a sofa bed in the living area.

Maccagno is a popular lakeside town boasting a number of restaurants, bars and cafes all within walking distance of the apartment. The nearest restaurant is on site whilst the second closest is just a few metres in the other direction. There is also a helpful tourist information office within the town if you need any information about what to see and do in the area. This Maccagno apartment is situated just across from a lakeside beach area which is popular with the locals. The lake is wonderful to swim in and there are platforms cleverly positioned in the lake to swim out to.

Useful to Know

This Maccagno apartment is one of my favourite apartments within this popular lakeside complex. Originally a 3 bedroom apartment, the owners instead chose to knock through one of the bedrooms to create a particularly spacious 2 bedroom property. The apartment is a short walk from a supermarket, cafes, bars and restaurants, You can even walk along the lakeside to the boat stop where you can catch a boat to all the other towns and villages on the lake. For the sporty amongst you, there are tennis courts just a few minutes walk away as well as a water sports centre where you can hire canoes, pedaloes and boats. You can also hire bikes on site. Both e-bikes and traditional bicycles are available. Since the property is within walking distance of the boat stop, a car is not essential although having one will potentially allow you to explore more of the area. For those that do hire a car, the property has allocated parking in an underground car park. If you don't want to hire a car, it is easy to reach the property from Milan Malpensa airport by either train or by taxi. Just let us know if you need any help booking a taxi transfer.
