Contemporary furnishings  
Private terrace with lake views  
Direct lake and beach access  
Sleeps 6  
Private jacuzzi

This is a contemporary 3 bedroom villa on the shores of Lake Maggiore, enjoying direct access to the lake which is wonderful to swim in. The villa is located approximately 200 metres from Portovaltravaglia and guests can walk to the village along the beach. You'll love my place because of the great lake views, private jacuzzi and relaxing atmosphere. My place is good for couples, business travellers, and families (with kids).
