Villa Raia is a stunning villa comprising 12 rooms and suites. It offers the very best of both a private villa stay with all the services of a luxury boutique hotel. Guests enjoy a daily breakfast service included in the rate. Lunches, dinner and snacks are all served as well but are an extra cost. A team of staff are on hand to help you at any time.

The property is beautifully furnished and is an incredibly peaceful and relaxing space for guests to enjoy. A large entrance hall greets you as you enter. To the left of this is a beautiful living area enjoying wonderful views over the estate below. Furnished with rich sumptuous fabrics, combining modern design with some antique pieces, it's a fantastic area for entertaining and in which to relax pre and post dinner. An honesty bar has a wide selection of drinks to choose from. This room leads to a restaurant. The chef at Villa Raia is incredible and the food so delicious. Breakfast will be served here each day for guests free of charge. Lunch and dinner can also be provided for an additional cost. Please note that guests do not have access to the kitchen so can not prepare their own meals here. We think that's a bonus - someone else will prepare everything for you after all! But if you want to cook yourself, this probably isn't the right place for you. There are twelve bedrooms and bedroom suites in Villa Raia in total. All are individually furnished. One of these suites is a two bedroom apartment with its own kitchen and living area which works very well for families with young children. There is also a private spa with massage rooms, sauna and swimming pool. The pool is both an indoor and outdoor pool. Outside, it is surrounded by loungers. It's a luxurious space offering the ultimate in relaxation.
