Attico Sabbiadoro is a traditional 2 bedroom apartment enjoying wonderful sea views and just a hop, skip and a jump from the beach, making it an ideal option for families with children.

Outside, the property has a large private terrace which enjoys both welcome shade underneath a covered area as well as plenty of additional space which enjoys the full rays of the Summer sun! It is equipped with table and chairs for al fresco dining as well as sun loungers. There are 2 outdoor showers to rinse off in after a dip in the sea or just to cool off in during the day. A BBQ is also provided for guests to use. Inside, there are two bedrooms (one twin room and one double room) as well as a family bathroom with shower, sink, toilet and bidet. Both bedrooms are equipped with plenty of storage space and both are fitted with air conditioning to ensure a good nights sleep. The kitchen is equipped with oven, gas hob, microwave and washing machine. Finally, there is a living area in the property. This has a wonderful picture window to make the most of the stunning views of the Puglia coastline. The furnishing is basic but comfortable. This property is all about the exterior terrace and location! The property does have an allocated parking space.

Right on the beach in Torre Pali, the apartment is within walking distance of shops, bars and restaurants.

Useful to Know

This apartment is fairly simple and rudimentary inside but what it lacks for in finesse indoors, it more than makes up for in location. Properties don't get closer to the beach than this. Head downstairs and out the door and you'll have your toes in the sand in seconds. And once you have showered off for the day, you have a host of bars and restaurants to choose from.
