Il Casolino are two stunning villas which can be rented together to provide luxury accommodation for up to 8 guests. They enjoy use of a private heated pool and offer ideal accommodation for a multi-generational holiday in Italy.

The property is comprised of 2 separate villas sleeping 6 and 2 respectively. Both have air conditioning throughout (with the exception of the bedroom on the lower ground floor of the larger property). The smaller villa is ideal for a couple and has a stone kitchen (equipped with gas hob, electric oven and large fridge / freezer), living area, bedroom and ensuite bathroom. The interior design makes the most of the natural, local resources on offer and has beautiful barrelled ceilings giving the villa a traditional yet modern and spacious feel. The larger villa has two double bedrooms on the ground floor and a third bedroom on a lower level. This bedroom has access to a small courtyard area offering some welcome shade from the heat of the Summer sun. All bedrooms have ensuite bathrooms with showers. All are immaculately presented in neutral tones and all are spacious. There is also an open plan kitchen, dining and living area. A dining table seats six comfortably and there is also a sofa offering more relaxed seating. The kitchen is equipped with dishwasher, coffee machine, microwave, oven and hob. There is a TV with satellite channels. Outside, there is also a private heated pool (4m x 11m) measuring 1.5 metres in depth. Loungers are provided and there is also an outdoor table and chairs for al fresco dining. There is plenty of space in which to relax, as well as plenty of areas to explore including a walled garden and orchard with a variety of fruit trees. Please note that there is a 50 euro late arrival fee for any arrivals after 9 p.m. This must be paid in cash on arrival.

For those that can drag themselves away from this stunning property, the nearest beaches are only 8 km away and the nearest restaurant for those who enjoy dining out is just 3 km away. The property is also situated just a few miles from Ostuni. Known as the 'White City', Ostuni is a lively town with an excellent range of shops, restaurants and bars. The villa is also perfectly placed to explore the Valle d'Itria and its towns including Alberobello, Cisternino and Locorotondo. We would also recommend driving North to explore the caves at Castellana and the seaside town of Polignano a Mare. Of course, it's also an easy drive down to the South of Puglia from here too where you can visit Otranto and Lecce.

Useful to Know

This is a beautiful property. The owner has gone out of his way to use natural materials and a neutral, calming colour scheme. The decor is simple yet oozing with style. With the option of having 2 separate villas, it's also a great option for couples or families who are looking to travel together whilst still retaining a degree of privacy.
