Mulberry House is a stunning 1 bedroom villa in Puglia sleeping up to 4 guests, offering the perfect balance of having rural peace and quiet whilst being close to the beach.

Outside, the property enjoys wonderful sea views towards the coast at Santa Maria di Leuca which is a beautiful seaside town in the Southern region of Puglia. Guests enjoy their own private pool (4m x 2m) and spacious gardens measuring 800 square metres which include a large shaded pergola and BBQ area. Inside, the property is tastefully furnished throughout in a Mediterranean style. A spacious living area has kitchen units arranged along one wall with a dining table positioned in the centre, wooden dresser to the other side and a comfortable sofa. It's a lovely space in which to relax and enjoy each others company. Please note that this is a sofa bed allowing the property to sleep up to 4 guests in total. There is also a double bedroom with large double bed, side tables and chest of drawers. This room has a mix of modern and more traditional furniture, giving it a homely and welcoming feel. Large windows in all rooms bring in plenty of light. A modern bathroom with large shower has striking dark grey wall and floor tiles which contrast with the white sanitary ware. The property has A/C and fans. Bicycles are also provided for your enjoyment. Please note: The pool is open from 1 May to 30 September each year.

Santa Maria di Leuca is only a couple of kilometres away and can be reached in 5 minutes by car. The nearest access to the sea is at the Pescoluse beach just 1.5 km away and the sandy beaches of Gagliano del Capo are just 11 km away.
