This is a fantastic 5 bedroom villa right on the sea in Puglia. Sleeping up to 10 guests, it's the perfect spot for anyone who has a love of the sea. This property truly is in the most exceptional location, right on the sea and close to the famous San Domineco golf course...

Inside, there is plenty of space for a large family or group of friends with five good sized bedrooms sleeping up to 10 people and four bathrooms. The main villa is home to four of these bedrooms. This part of the property is arranged over two floors. On the ground floor, there is a spacious living area with corner sofa and dining table. This can be extended to comfortably seat up to 10 guests. Doors lead from here to a covered veranda. This room is adjacent to the fully fitted, well equipped kitchen with oven and hob, dishwasher, microwave and two fridge / freezers, ideal for anyone planning to do a lot of cooking during their stay. The tiles in this room are more traditional but the remaining furnishings give the room a more modern feel overall. There is also a WC on the ground floor. Upstairs, guests will find four bedrooms, all furnished with double beds. One of the bedrooms is extremely large and is also equipped with two single sofa beds should you need additional space. One of the bedrooms has a private balcony and ensuite bathroom whilst the other two bedrooms share a bathroom with corner shower. All the bedrooms in this part of the house are furnished in neutral tones of white, cream and beige with hints of blue creating on occasion a nautical theme. They are also arranged to make the most of the wonderful sea views. All the bathrooms are in keeping with the traditional Puglian style and have showers, toilet and wash basin. An adjacent suite is accessed externally. This is a beautiful space. As you enter, there is a living area with adjacent kitchen. The kitchen has a stylish pale blue SMEG kitchen, oven and gas hob. Utensils are hidden in units behind tasteful blue and white curtains. Moving through the property, there is a large double bedroom with stunning ensuite bathroom with his and her shower, sink, bidet and toilet. Outside, there is a private garden and plenty of parking space. There are two covered terraces, both furnished with long wooden tables that can comfortably each seat up to 10 guests. Both also have outside lighting allowing you to sit enjoying the company of friends and family well into the small hours! Guests enjoy direct access to the sea via secure gates.

If you're a golf lover, the nearby San Domenico is a great course to try however it's easy to get distracted from the game as every green overlooks the sea! It's also close to the Hotel Borgo Egnazia, voted the best of the best hotel for 2016 by luxury travel network Virtuoso and just a few minutes drive from the fantastic fish restaurants in nearby Savelletri. It's an area of Puglia made famous by UK chef, Rick Stein, who loved the simplicity that the area offers and, of course, its abundant locally run restaurants and shacks along the coastline selling the very best seafood imaginable including Ricci di Mare, small sea urchins which are caught daily. It's also only 20 minutes from Ostuni and there is plenty for families in the area to enjoy too including the Zoo Safari at Fasano! There are also plenty of superb beaches in the area and some great water parks.

Useful to Know

Whilst we love the interior of this villa (and of the adjacent suite in particular), for us this villa is all about location, location, location! This property is perched directly on the rocks with direct access to the sea and with beaches on either side. Heaven for beach lovers.
