Villa Chiara is a striking 7 bedroom villa in Puglia which is a dream for anyone who loves the 1980s! The property consists of a main building spread over three floors and a nearby annex. It is set in spacious grounds and boasts a large private swimming pool. It's a great setting for a group of friends and family to enjoy each others company.

Constructed in 1981, the main house is, without doubt, unique. Guests will feel like they have stepped into a set of 'Dallas' or 'Dynasty' when entering the house. It has been furnished and decorated in the high fashion of that decade and the result is a villa that oozes the quality of a bygone era. The entertainment and living space is split into a number of distinct spaces giving people separate areas in which to relax. The main living room is extremely spacious, with semi circular sofas as well as more traditional seating. It is laid out around a contemporary central glass courtyard. A white grand piano provides the perfect entertainment of an evening. There is also a second living area decorated in shades of green offering a more intimate seating area for smaller groups as well as a separate dining area furnished with a large wooden dining table. The kitchen is large with sleek black wall units contrasting against pale cream worktops. Bar stools are arranged around a breakfast bar and there is also another small circular kitchen table. It is definitely a sociable space! It is well equipped with a large stainless steel fridge / freezer. Access to the sleeping quarters is via a grand sweeping staircase leading to the first floor. All bedrooms have ensuite bathrooms as well as walk in wardrobes. All the ensuite bathrooms are of good quality with bidet, shower and 'his and her' sinks. The villa is fully air conditioned throughout. The separate annex is home to a living room, two bedrooms and a shared bathroom. Outside, there are well manicured gardens with a large swimming pool (depth of between 1 and 4 metres). There is also a large gated pond. Please note that this should not be accessed by children without an adult being present.

The Puglia coastline is just 2 km away and the nearest restaurant just 3 km away.
