This is a recently renovated 3 bedroom villa with private pool situated just 300 metres from the sea, There is also a restaurant and bar just 300 metres away. It is just 6 km to the centre of Marsala.

The villa sits behind secure entrance gates and is set in beautiful gardens enjoying the shade of palm trees mature plants. A fence leading all the way around the house provides absolute privacy and ensures the garden is secure for anyone bringing pets. The large swimming pool (13.5 m x 6.5 m with a depth between 0.8 and 2 metres) sits to the far side of the garden. There is a diving board at one end as well as a set of steps at the other. Two outdoor showers provide the opportunity to cool off without immersing yourself in the pool. Plenty of sun beds are provided along with comfortable armchairs. An adjacent terrace is furnished with an outdoor dining table and there is also a table tennis table for everyone to enjoy. A built in brick BBQ completes the perfect relaxation area. There is ample parking for 2-3 cars. The house itself is divided into a main villa and small annex. The property has been recently renovated to a high standard. In the main part of the property, there is a large open plan living and dining area with cream corner sofa and sleek white dining table with matching chairs. A fully equipped kitchen sits at the far end in a separate room with traditional white units. There are also two double bedrooms in the main house which share a bathroom with shower. The other bedroom is in the separate annex where there is also a second bathroom. All the bedrooms have their own air conditioning system. Pets are welcome on request. Please note that energy consumption is included up to 300 kWh per week. Any additional usage will be charged at 0.40 euros per extra kWh. We may be able to offer discounts for groups of 4 guests or less. Please ask for more details.

The villa is just 300 metres walk from the nearest beach and just 300 metres from the nearest restaurant and bar. The beach here is perfect for those with young children since the water remains shallow for quite a distance.
