This is an elegant 5 bedroom villa just a few minutes from the old town of Marsala and the sea. Outside there is a stunning swimming pool set in a large courtyard and surrounded by palm and olive trees. Inside, the house boasts a modern, well equipped kitchen, a bright and spacious living room and five bedrooms.

Most of the rooms are on the ground floor of the villa. This floor is home to a modern and well-equipped kitchen with white units with wooden worktops as well as a bright living room, perfect for enjoying the company of family and friends. There are three bedrooms on this floor, each with an en-suite shower room, as well as an additional room with a sofa bed which can be made up as a fourth bedroom or kept as an additional living room for smaller groups. An outdoor staircase leads to a larger terrace enjoying wonderful panoramic views over the sea and the Egadi Isles. There is a table and chairs head as well as loungers should you wish to sunbathe away from the pool. Doors from the terrace lead to the final bedroom which also enjoys its own ensuite shower room. The property is set behind high white walls ensuring privacy and accessed via secure metal entrance gates. The pool is open from Easter until October and measures 4m x 11m with a depth of 1.5 metres and is accessed via Roman steps. Parasols and loungers are provided. Finally, there is a large walled BBQ area with an elegant gazebo providing shade. Please note that energy consumption is included up to 500 kWh per week. Any additional usage will be charged at 0.40 euros per extra kWh.

The villa is situated near the historic old town of Marsala and is within easy reach of the city centre. It is a fascinating part of Sicily with the historical influence of the Phoenicians, Arabs and Spanish who once lived here giving it a unique feel. The house is also close to the Stagnone Nature Reserve which, as well as being home to some fascinating archaeological sites is also home to some of the most beautiful sandy beaches in Western Sicily. For the adventurous amongst you, it's also a popular spot for kite surfing. Also nearby and not to be missed are Marsala's salt pans and characterful windmills.
