Villa Taormina is a modern 4 bedroom villa with private garden and swimming pool. A short drive or cable car ride will take guests to the centre of the popular city of Taormina where there are a wide range of shops and restaurants.

The villa is laid out over two levels. Most of the accommodation is on the ground floor where guests will find an open plan living, dining and kitchen area. This is a light room with white wooden ceilings, modern kitchen with cream units and large American style fridge / freezer. A separate wine fridge allows you to store plenty of bottles of your favourite tippie! Also on this floor are two double bedrooms, one with ensuite bathroom. There is also a further bedroom on this floor. Upstairs, there are an additional 2 bedrooms and two further bathrooms, whilst there is also a lower floor with one additional bathroom. Doors lead from the living and kitchen area on the ground floor to the garden. The garden is small but boasts a private swimming pool (5m x 10m) and has some lawned space and covered terrace for al fresco dining. The pool has a set of Roman steps leading into the water as well as a hydromassage corner.

It's just a short drive to the nearest bars and restaurants. Or take the cable car to get to the elegant centre of Taormina, famous for its range of upmarket shops and restaurants. (Please note that you will still need to take a short drive to reach the cable car itself). It's also just a 10 minute drive to the nearest beaches should you fancy a break from relaxing by the pool.
