Villa Diva is a stunning contemporary villa offering holidaymakers a real home from home. Outside, the pool and terrace offers the perfect place to relax enjoying the company of family and friends and it's just a 10 minute drive to the nearest beaches.

Back inside, the property is laid out over one floor and boasts four stylish bedrooms, all carefully furnished and enjoying their own private bathroom. Some of these rooms offer the flexibility to be made up as either double or twin rooms. The open plan modern kitchen, living and dining area is the real heart of the property and is a huge space in which to relax. Sleek white kitchen units sit on one wall opposite a large island whilst in another corner, comfortable sofas are arranged around a large wall mounted TV. There are also a couple of dining tables should you wish to eat indoors. The palette is neutral with shades of white, cream and beige against which subtle blues bring almost a nautical theme, reminding guests of the proximity of the sea. Floor to ceiling windows run the length of the space ensuring guests can enjoy views over the pool to Marina di Ragusa beyond. These can be pulled back to effectively 'bring the outside in' and allow guests to freely wander between the internal living space and the external terrace. There is also a fifth bathroom in the property, perfectly placed if you are by the pool or relaxing in the lounge. The house is set in a large plot measuring just under 1000 square metres and is accessed via secure entrance gates set in traditional stone walls that surround the property. The pool is set in front of the villa to make the most of the incredible panoramic views of Marina di Ragusa. It is surrounded by terraces on which are arranged a table and chairs for al fresco dining, plenty of loungers and parasols to provide shade.

The nearest restaurants are just a few minutes drive away in Donnalucata (4Km). Additional shops, restaurants can also be found in Marina di Ragusa or Scicli, just 8 km from the villa. Please note that energy consumption is included up to 350 kWh per week. Any additional usage will be charged on consumption at a rate of 0.40 euros per extra kWh. Whilst linen and towels for use at the villa are provided, there is an additional charge of 2 euros per day for beach towels. However, towels will be changed free of charge mid week. Please note that small dogs may be accepted on request here with an additional cost of 150 euros payable locally on arrival if bringing a dog. Guests must get permission for any pets ahead of their stay. A local tourist tax of 1 euro per person per day is also payable locally on arrival (applicable to all those aged 12 years and over).
