In the heart of Chianti countryside sits this stunning 8 bedroom Tuscan villa.

The property is divided up into two buildings - a main house and smaller cottage. Both buildings are beautifully constructed using stone, wooden beams and with arched ceilings whilst the decor is in neutral, pastel tones. The overall feel is authentic Tuscan. The larger, main villa, measures over 450 square metres. Guests enter into an entrance hall which leads on to a spacious, well-equipped kitchen which in turn leads to a dining area. The rest of the ground floor is an open plan living area where you'll find a built in bar, comfortable sofas and a grand piano. There is also a small WC on this floor. Upstairs, there are 6 bedrooms - 4 doubles, a twin room and a single bedroom - all with their own bathrooms. Five of the bathrooms have showers whilst one has its own bath tub. There is a second kitchen on this floor and a second living area which enjoys wonderful views over the surrounded countryside. The cottage is much smaller measuring just over 100 square metres. Located next to the pool, it comprises a kitchen, living area, 2 bedrooms (one double and one twin) and a bathroom with shower. Outside, the house is surrounded by sweeping lawns and in total is set in nearly 100 acres of private land which guests are welcome to access either on foot or by bike. Mountain bikes are provided for your enjoyment. A covered seating area sits adjacent to the property, furnished with long table and chairs perfect for al fresco dining whilst to the other side is a beautiful pool area. The pool (open from May until September) measures 12 x 4 metres and has a depth of 1.6 metres and is surrounded by sun loungers and parasols. There is also a small jacuzzi area positioned to make the most of the views. There are also BBQ facilities and a table tennis table.

The villa is situated close to the Badia of Passignano, home to the monastery of the Abbey of Saint Michael and where you will find a variety of shops and restaurants. The larger town of Poggibonsi where you'll find the nearest railway station is 3 km away whilst Barberino Val d'Elsa is 6 km, San Gimignano 12 km, Siena 25 km, Volterra 35 km and Florence 45 km. Please note that the villa is accessed via 3 km of unpaved road however we promise that the location makes the drive worth it! Please note that heating and air conditioning costs are payable locally based on consumption.
