This is a large 8 bedroom villa sleeping up to a maximum of 16 guests. The setting is quiet and peaceful, with 180 degree views over the Cabernet Sauvignon vineyards and rolling hills towards Siena and Rapolano.

Gates mark the entrance to the grounds of the villa. The grounds are delightful with large swimming pool with built-in jacuzzi area. Loungers are arranged around the poolside in the Summer months. A nearby garden room houses a wellness area with indoor jacuzzi, gym, shower room and toilet. The gym is equipped with cross-trainer, bench, exercise bike and selection of weights. Guests enter the main villa via an external stone staircase. Immediately on entering, there is a large living area with working fireplace, sofa and dining table. Immediately on the right hand side, there is a separate smaller living area with 2 sofas arranged around a TV, whilst further back but also on the right is a kitchen with dishwasher, oven, kettle, toaster, coffee machine and microwave. There is a second living area downstairs, again equipped with comfortable sofas, making the property ideal for large groups who wish to be able to spend time together as well as having the space to enjoy some time alone. The property has 8 bedrooms in total. All bedrooms can be arranged as either double or twin rooms and all enjoy an ensuite bathroom. Hairdryers are provided in each room and dressing gowns are also provided for guests to use. In addition, there is a laundry room with washing machine and dryer situated under the external staircase of the main villa. The property is simply but tastefully furnished throughout. All windows have mosquito nets in place. Staff are on hand nearby if guests need any assistance during their stay and extra services can also be provided on request. Please ask for more details. There is plenty of parking on site. Please note that access to the property is via a three kilometre dirt track. This does mean that guests get to enjoy absolute privacy when at the villa but guests should be aware of the access road which is not paved and can be bumpy!
