This is a lovely, recently renovated 2 bedroom first floor apartment within a beautiful restored Umbrian farmhouse, with shared swimming pool and private terrace which is perfect for al fresco dining and enjoys stunning views of the local countryside.

Inside, the property is a clever fusion of both contemporary and traditional design. Guests enter the property into an open plan living, dining and kitchen area. A glass table has been cleverly created using wine barrels and there is a corner fireplace adding character to the room. Moving through the property, there is a master bedroom with four poster bed along with adjacent dressing area and bathroom with oversized shower. There is also a smaller double room with bathroom opposite. The property is surrounded by 2 hectares of land and guests enjoy use of a lovely swimming pool (12 x 5 metres). The apartment is one of 5 apartments within the building but it has its own spacious covered private terrace with huge comfortable sofas as well as an outdoor table and chairs, ideal for al fresco dining. The apartment has lovely views over the rolling hills and countryside of Umbria and Tuscany. Please note that there is a 110 euro rental charge per week for heating during the Winter months when applicable.

The setting is incredibly peaceful but is less than a kilometre to the beautiful village of Paciano where there are a selection of excellent restaurants, village shop and post office. It is also home to the most amazing family bakery which opens twice a week. The owners run cookery lessons, wine tastings and other experiences which guests are welcome to enjoy during their stay.
