This is a charming & well-equipped one bedroom cottage in a stunning, peaceful location on a 40 acre estate on the Tuscany and Umbrian border. Guests enjoys use of a stunning infinity pool, jacuzzi, BBQ & bread oven within beautifully kept grounds.

The villa is fully furnished and decorated with tasteful Umbrian touches. It has a large living room with SKY satellite TV and WIFI access, a well equipped kitchen corner and fireplace, plus a large bedroom with king-size bed and a comfortable, modern bathroom with shower. Linens, pool towels, hair dryer, kettle, cooking pots and pans, dishwasher, microwave oven, CD player, washing machine and mobile phone are all provided to ensure guests have an enjoyable and comfortable stay. The property is set within a large estate which includes 2000 olive trees and a small vineyard. The cottage has its own private patio and garden but guests also have full use of the surrounding lawns and gardens which are immaculately kept by the owners who live on site. During the Spring and Summer the gardens are filled with lemon trees, English roses and a variety of other plants. Alongside the beautiful flowers, there is a fantastic organic vegetable garden and guests are invited to help themselves to any produce they need during their stay. The infinity swimming pool measures 14 x 6 metres and the adjacent jacuzzi has stunning views over the countryside. Outside, there is also a bread oven and BBQ perfect for al fresco dining. Please note that there is a final heating charges of 100 euros per week payable locally when applicable during the winter months.

The estate is located one kilometre from the walled village of Paciano, a perfectly restored 13th century medieval village located in a peaceful and scenic location. The views from the villas are incredible - Lake Trasimeno, the lights of Chiusi, Montepulciano and Cortona can all be seen in the distance.

Useful to Know

This really is a very special place to stay. You can't help but immediately feel relaxed and at home here. We can highly recommend taking one of the cookery classes on site which are run by the owner and which always receive rave reviews from our guests. You will be shown how to prepare a typical Umbrian meal using the plentiful organic produce, fresh from the garden.
