This Sicily villa rental is absolutely charming. The decor throughout is authentically rustic with an emphasis on using local materials and following traditional Sicilian construction techniques. Bright airy fabrics bring warmth and character to the space whilst original works of art by local artists adorn the walls and add to an overall decor inspired by the colours of the Sicilian coast. If you want to ensure the memories of your time here last well after your stay, then you can even purchase the artwork to take home with you! Why not unwind in your personal hammock by day, cool off in the private pool in the afternoon and enjoy some star gazing at night from the comfort of the full size outdoor day bed? Patio heating ensures you can stay outdoors until late without feeling chilly. There is also an outdoor kitchen, well equipped with gas BBQ and enjoying wonderful sea views. This Sicily villa rental really is the perfect choice if you're looking to escape the hustle and bustle of everyday life and enjoy a return to nature, peace and quiet. We want to ensure that all guests staying here can relax and unwind. As a result, a number of extra touches are provided... You will enjoy twenty four hour concierge service during your stay at this Sicily villa rental and we'll also provide an extremely generous welcome package of food and drink which is worth over 200 euros. But not only that... All guests that book with us will also enjoy a complimentary 3 hour boat trip during their stay!

This Sicily villa rental is situated in the heart of the Parco Delle Madonie nature reserve, amid pine, oak and corbezzoli trees along with erica shrubs and a wealth of endangered species of flora and fauna.
