This Ragusa villa rental is situated just 8 km from the beaches at the Marina di Ragusa and 30 km from the historic centre of Ragusa itself. The setting, amid vineyards and olive trees, is peaceful and quiet. Its elevated position means guests can enjoy stunning views over the Sicilian countryside towards the Mediterranean sit beyond.

This Ragusa villa rental has been wonderfully refurbished. But, at the same time, the owners have successfully managed to retain the character of an old rural Sicilian villa. Exposed stone walls and traditional flooring sits alongside modern solar powered energy systems whilst the decor successfully combines both the modern and traditional styles. This is a large property, measuring 180 square metres in total. There are three large double bedrooms in this Ragusa villa. Each has its own ensuite bathroom and a walk in wardrobe. There is also a comfortable living room and an adjacent, fully equipped kitchen. Doors lead from here to the external terrace. Outside you will find an outdoor table, perfect for al fresco dining. There is also a more relaxed sofa style seating area on the terrace too where you can enjoy an aperitif. A BBQ is provided. Steps lead down to the pool area. This is surrounded by a terrace and furnished with sun loungers.

A 5 minute drive takes you from this Ragusa villa rental to the beautiful sandy beaches of Playa Grande, Donnalucata, and the Irminio natural sanctuary, as well as to Scicli. Scicli boasts an array of outstanding architectural and natural treasures to discover.
