This Puglia villa rental with pool comprises two separate properties - a one bedroom villa and a two bedroom trullo which are positioned directly opposite other and just a few metres apart. It is a beautiful property sleeping up to six guests comfortably and enjoying the most amazing outdoor space which includes a private pool and outdoor kitchen.

The villa sleeps up to two people and the trullo up to four people. Guests enter the villa into an open plan living, dining and kitchen area. The kitchen is set on the right hand side of the room and is well equipped with fridge, hob, oven and dishwasher whilst to the other side of the room is a living area with sofa arranged at right angles to a large fireplace. A step takes you into a double bedroom with brand new ensuite bathroom with large shower. There is a TV in the bedroom if you fancy a lazy morning in bed! There is also a second bathroom in the villa. The trullo opposite also boasts a living area. This has a small sofa with TV unit opposite. This room also has a snug area with stone benches built along the walls around a large fireplace. A step leads down from the living room to a beautiful double bedroom with ensuite bathroom. There is a second bedroom on the other side of the living room. This is furnished with two single beds and also has its own bathroom. The decor throughout both properties at this Puglia villa rental with pool has been really cleverly designed. Thanks to high quality modern reproductions, everything from the wardrobes to the lighting switches show real care, thought and attention to detail and the result is a beautiful and welcoming space to stay. The style is both traditional and modern and this eclectic mix of styles has created a stunning and relaxing home. The outside space at this Puglia villa rental with pool is even more impressive. Set to the rear of the trullo is a stunning pool area, surrounded by sleek terraces on all sides and with raised seating area with comfortable bean bags. The pool also has a built in jacuzzi corner with hydromassage. There is also a covered pergola furnished with outdoor table and chairs, and adjacent to this is a superb outdoor kitchen. This is equipped with pizza oven, BBQ and stove. Outdoor speakers allow guests to listen to music around the pool which can be streamed via spotify. There is an outdoor bathroom with shower and WC. The property also boasts a vegetable garden and guests are welcome to help themselves to any seasonal produce on offer. This Puglia villa rental with pool is situated in an elevated position up a long straight driveway. Whilst there is some traffic noise that comes up from the main road, this is not a busy road and it should certainly not be of any concern to guests.

This Puglia villa rental with pool is situated just a couple of kilometres from the nearest bar / restaurant. A wider range of amenities can be found in Martina Franca which is 6 km away. The nearest beaches are 30 km drive from the villa.

Useful to Know

We love this Puglia villa rental with pool. The outdoor space is phenomenal. We love the contemporary feel that the pool area has with an outdoor kitchen and outdoor speakers so that you can have music playing outdoors. However, we also love the little touches of design and small details within the property itself. We think that even the light switches are beautiful!
