This is a stunning, elegant, newly built 5 bedroom Carovigno villa rental, which is an easy cycle ride from Carovigno and within a 10 minute drive of the nearest beaches at Santa Sabina and Pantanagianni. The Torre Guaceto nature reserve is just 10 minutes further on. The villa is laid out over two floors. Outside, the villa is set in extensive gardens with well tended lawns surrounding a private pool.

On the upper floor of this Carovigno villa rental, there are two bedrooms, an open plan living, dining and kitchen area and a second smaller living area which is the perfect relaxation spot for teenagers with a Playstation II for them to enjoy. Both bedrooms on this floor of this Carovigno villa rental boast a large ensuite bathroom. The first bedroom can be made up as either a twin or double room whilst the second bedroom has a large double bed. Doors from this room lead to an external balcony which enjoys panoramic views of the city of Carovigno. A desk in this room provides the perfect spot for anyone needing to catch up on emails. The living area is equipped with a sofa bed whilst the kitchen is well equipped with oven, stove, sink, refrigerator and dishwasher. A circular table with bright blue chairs provides the perfect spot for a bite to eat. A bathroom leads off this living area where guests will also find a washing machine. For those staying in the cooler months, there is underfloor heating on this level whilst for those staying in the Summer, there is air conditioning in all bedrooms. A flight of stairs leads to a lower level in this Carovigno villa rental where there is a second large open plan living, dining and kitchen area. At one side of the room, three sofas are arranged around a central table opposite a stone fireplace whilst at the other sits a well equipped kitchen with 5 burner gas hob, sink, electric oven, coffee machine and dishwasher. A small WC leads off this room. There are three bedrooms on this floor, all equipped with double beds and all boasting a large ensuite bathroom. The space works well for a large group of family and friends who wish to holiday together but who would also like some privacy since the lower ground floor can be accessed from the external driveway, independently of the floor above which is reached via a set of stone stairs leading from the garden. This Carovigno villa rental is air conditioned throughout, whilst the lower floor also has a mechanised ventilation system and wall mounted radiators for those staying in the cooler months of the year. The property is set behind electric gates and has ample parking for up to six cars. The garden has extensive lawns dotted with fruit and olive trees. The private swimming pool measures 10 x 4 metres (1.4 metres deep) and also has massage jets at one end. Outdoor showers allow guests to cool off from the heat of the sun, whilst loungers are provided on a poolside terraced area. For those who enjoy dining al fresco, there is a covered terrace with outdoor kitchen and BBQ area also positioned close to the swimming pool.

This Carovigno villa rental is just one kilometre from Carovigno where guests will find a number of excellent restaurants and a number of shops. The nearest supermarket is 1.5 km away. The nearest airport is Brindisi just 30 km drive but it is also possible to fly into Bari which is just over an hour from the house.
