Villa Celeste is a large, family friendly villa in Puglia, just a five minute drive from the famous city of Ostuni. Sleeping up to 18 people, the property is situated in a quiet residential area and boasts a private swimming pool as well as plenty of amenities to keep you entertained include a table tennis table.

The property is divided into two buildings - a main villa and a separate dependence within the grounds. The main villa boasts a stylish modern kitchen equipped with both electric and gas hobs, large fridge / freezer and oven. It is a fantastic space in which to entertain and, with doors leading out to a large covered terrace equipped with comfortable outdoor sofas as well as a formal table and chairs, it's the perfect spot to prepare meals to be eaten al fresco. A large opening in the wall leads into a vast living and dining area, furnished with table and chairs as well as comfortable cream coloured sofas. Steps lead from here to three good sized bedrooms, each enjoying ensuite bathrooms. All the bedrooms are decorated in calming, neutral tones and provide relaxing spaces in which to enjoy a good nights sleep. All these rooms have air conditioning and wall mounted TVs. There are three further double bedrooms on the lower level of the house, again all boasting ensuite bathrooms and equipped with air conditioning. The interior style of these rooms is typical of the Puglia region. A separate dependence is home to the remaining bedrooms as well as another living area and kitchenette. It's a great set up for those staying with extended family who want to holiday together but, at the same time, appreciate a little privacy. Outside, there is a private swimming pool set in mature gardens. The pool measures 12 x 4 metres and has a depth ranging from 1.0 to 2.4 metres. Plenty of loungers and chairs are arranged on the stone terrace that surrounds the pool whilst lawns provide space for children to enjoy ball games. There is also a small children's play area with swing for little ones to enjoy. Plenty of parking, with space for up to 8 cars, is available within the grounds.
