Villa Medici is a beautiful 6 bedroom Montevarchi villa rental. Accommodation is laid out over three floors. The house has been beautifully renovated and it's stylishly furnished with top quality fixtures and fittings. The house retains a traditional Tuscan feel but has been restored with 21st century mod cons.

As guests enter this Montevarchi villa rental, a hallway leads through to an extremely spacious living and dining area. This has an open fireplace, comfortable seating, TV and DVD player as well as a dining table seating eight. A number of glass doors lead from this room to a garden. Also on this floor is a well equipped kitchen. An additional table in this room seats 12 whilst a central island is a great space to prepare meals. It is equipped with a large hob, two ovens, microwave, dishwasher and large fridge. Also on this floor is a laundry room with washing machine and a bathroom with shower. A staircase leads from the hallway to the first floor of this Montevarchi villa rental. Here you will find a second living room. Also on this floor is a well equipped study. This has a computer linked to a fast ADSL internet connection with printer. There are six bedrooms in total in the villa, five of which are on this floor. Three of these are double rooms. The first of these has an ensuite bathroom with bath tub whilst the second has an ensuite shower room. The third bedroom has a bathroom across the hallway with double sink, shower and bath tub. (Please note that this bathroom is shared with those guests sleeping in the tower bedroom on the second floor). There are then two bedrooms on this floor which are furnished with two single beds. One of these can be laid out as a kingsize bed if guests prefer. These two bedrooms share a bathroom with shower. All bathrooms have hairdryers. All bedrooms are fully air conditioned and also have mosquito screens on the windows. The final bedroom is located on the second floor in the tower room. With windows on three sides, it enjoys terrific 360 degree views. It is furnished with two single beds and is also equipped with air conditioning. This room shares a bathroom with one of the first floor bedrooms. Guests staying at this Montevarchi villa rental enjoy use of a private pool (8m x 4m) set within a lovely garden. This boasts terrific views over the surrounding countryside. The pool is open from open from 4 May to 5 October each year. A sun terrace is furnished with loungers and sun beds. There is also an al fresco dining area with BBQ and seating. The gardens cover an area of over 2 acres in total, extending down over the slopes of the hill. Pretty olive groves and orchards coupled with some rare plant species make it an extremely charming outdoor space.

This Montevarchi villa rental is perched on a small hill in the heart of the beautiful Tuscan countryside, just 1 km from a small town where guests will discover a range of shops as well as a supermarket, restaurants and bars. It is believed that it was once a look out tower for a nearby castle. After that it was owned by the Medici family. These days, this Montevarchi villa rental is perfectly positioned for those looking to explore Tuscany. It's just 50 minutes from Florence, 30 minutes from Arezzo and an hour from Siena. Please note that the owner lives nearby in an adjacent barn. They are close by so if guests need anything, help is quickly on hand. But equally, if you don't need anything, then they will ensure that you can enjoy absolute privacy.
