The owners have spent 15 years painstakingly renovating this 16th century luxury villa in Tuscany along with the adjacent barn to create a stunning 8 bedroom holiday rental in Tuscany. Surrounded by vineyards and in an idyllic location with views over the surrounding hillsides, there are few better places to stay than this luxury villa in Tuscany!

Outside, this luxury villa in Tuscany boasts a salt water swimming pool (7 x 14 metres and depth 1.4 metres) which overlooks the valley and is surrounded by a spacious sun terrace furnished with loungers. The pool can be heated on request for an additional fee. A large terrace provides the perfect spot to relax over dinner with friends and a BBQ area is provided for al fresco dining. Guests who like to exercise during their stay can make use of the gym and relaxation area equipped with exercise bike, treadmill and sauna. There is also a separate WC and shower here. The accommodation at this luxury villa in Tuscany is divided into a more classic styled five bedroom villa and more contemporary three bedroom villa opposite. Inside the main villa, there is a well equipped kitchen and a dining area which comfortably seats up to 18 guests and enjoys wonderful views over the valley. Also on the ground floor are two lounge areas and a WC. Upstairs, there are five well appointed bedrooms, each with ensuite shower room, each equipped with safe, minibar and satellite TV and each enjoying views over the Tuscan countryside. Whilst two of the bedrooms have double beds, two can be laid out as either double or twin rooms whilst the last bedroom in this part of the property has three single beds. Inside the converted barn are two further double bedrooms on the ground floor, one of which can be arranged as single beds if you prefer, as well as a triple bedroom on the first floor. Once again, all bedrooms have their own bathrooms.
