There is also a microwave, kettle, toaster, coffee machine and dishwasher. For those staying for a long period, there is a washing machine and dryer for you to use. This is set in extensive gardens ensuring absolute privacy, peace and quiet for guests staying here. The pool, which is lit at night, has a depth of between 1.3 and 2.0 metres. There is a poolside pergola equipped with table and chairs set below wisteria, ideal for al fresco dining, as well as additional seating throughout the garden. The pool area is fenced for added peace of mind. There is also a table tennis table outside for guests enjoyment and for keen foodies, you are more than welcome to help yourself to any of the fresh fruit and vegetables lovingly grown on site by the villa owner. A complimentary welcome dinner is offered to all guests in the on site restaurant. This restaurant is reserved exclusively for the use of the guests at the villa. During your stay at this San Casciano dei Bagni villa, there will be no external guests. It's ideal, meaning you can have the restaurant all to yourself, and, after your dinner, can simply wander back to the villa without having to clear up or to have the lingering smells of the cooking in the house.

It's also ideal for anyone looking to explore not just Tuscany but also Umbria and Lazio which are within easy reach. The owners live nearby and are on hand to help with anything you need during your stay. They are very discreet and if you prefer to relax in privacy you will be left to do do so. They are completely flexible to suit your needs. Rates include linen and towels as well as a daily cleaning service of 2 hours (except Sundays). Towels and linen are changed mid way through your stay on a Wednesday for those guests staying for a week. They are also changed every Saturday for those staying for 2 weeks or more.
